

Troll cannon

This is a simple game with the aim of shooting balloons with the cannonball . It consists of 2 levels, which can be changed at any point in the game.

The first level is a simple level in which we have to shoot all the three balloons with just one shot to proceed to the next level.

The next level is little tough where you have to shoot the ropes of air balloon to throw the anchor on to the targets on the grounds. Again you get just one chance.

For the easy use of the game both keyboard and mouse controls have been provided.

Score decreases with misses.

Keyboard controls:
